

## Sale of Gas Catenary Arch Kiln

The Greater Lansing Potters Guild is selling its ~24 cu.ft. catenary arch kiln. Details and pictures below. This is fully functional with the burner system retooled in 2023. It is sold as-is with some shelves but no posts and no oxymeter. Pyrometer included. Original wooden construction arch included. Full chimney included (including a 4' section on the kiln room roof). It is offered at \$10,000 OBO with purchaser responsible for dismantling and completely removing from property by 6/1/2025. For more information and/or to schedule an inspection visit please contact Michael Hamm for more information:
